Cloughjordan Ecovillage

Research Enquiry Form

This form is intended for those who wish to undertake research in Cloughjordan Ecovillage. Gathering information in this way helps to ensure that we facilitate research enquiries as swiftly and efficiently as possible.

Personal Details:

Name:
Address:
Telephone:
Email:

Institutional Affiliation:

Academic Institution:
Nature of Studies (level and subjects):

<p>Is the research project being done as part of academic study:</p> <p>If it is, please indicate: At what level (undergraduate, MA/Msc or PhD)</p>
<p>Supervisor (name and contact details):</p>
<p>Have you complied with your institution's procedures for ethical approval of your research:</p>
<p><i>If you are not affiliated to an academic institution, please skip the above section. However, you will need ethical approval from us if you have not got it elsewhere.</i></p>

Subject of Research:

<p>Please outline in a brief paragraph what is the objective of the research:</p>
<p>What methodological approach(es) is/are being used:</p>
<p>What part of your research do you wish to undertake in the ecovillage:</p>

Outcome of Research:

When do you hope to complete your research project:
Will you supply us with a copy of the research outcomes:
Can we divulge these, both among ecovillage members and more widely if we think this might be of interest:

Please read the [FAQs](#) and [Research Guidelines](#) on the ecovillage [website](#):

Please return the completed form by email to: research@thevillage.

Thank you,

Peadar Kirby,
Education Co-ordinator
